Scale: 1: Strongly Disagree, 2: Disagree, 3: Neutral, 4: Agree, 5: Strongly Agree

Evaluation of the IKMYO International Relations Office (IRO) during the mobility:		1	2	3	4	5
1	Before my mobility, I received sufficient, clear, and up-to-date information about the Erasmus+ programme at IKMYO.					
2	Upon arrival, I was provided with clear guidance regarding academic and administrative procedures.					
3	I was able to contact the IRO quickly and easily when needed.					
4	When I had questions or encountered problems, the IRO provided timely and solution-oriented support.					

Evaluation of your academic experience:		1	2	3	4	5
1	The courses/activities I attended were relevant to my academic background and study plan.					
2	The academic staff were supportive and approachable.					
3	I had access to necessary learning materials and resources.					
4	The teaching and learning facilities (classrooms, laboratories, libraries) were adequately equipped and accessible to support my academic activities.					
5	The course timetable and workload were manageable.					
6	The academic recognition process (Learning Agreement, Transcript of Records) was handled smoothly.					

Evaluation of social and cultural experience:		1	2	3	4	5
1	Social and cultural activities organised by IKMYO or partners were accessible and engaging.					
2	I had opportunities to meet and interact with local and international students.					
3	The campus facilities (canteen, internet, study areas, etc.) were available and functioned effectively to support my studies.					
4	Accommodation arrangements were adequate and accessible.					
5	Living in İzmir contributed positively to my cultural experience.

Overall evaluation of the mobility:		1	2	3	4	5
1	This mobility contributed positively to my personal development.					
2	The experience helped me improve my intercultural communication skills.					
3	The mobility improved my confidence in using a foreign language.					
4	I would recommend IKMYO as a host institution to other students.					
5	The financial support provided under Erasmus+ was sufficient to cover my essential expenses such as accommodation, food, and transportation in İzmir.					
6	Post-mobility processes (document submission, Transcript of Records) were completed promptly and smoothly.
